

International Net Zero Summit 2026

DRIVING THE GLOBAL TRANSITION TO A CARBON-NEUTRAL FUTURE

📅 22-24th January, 2026

📍 Taj Vivanta, Goa

Overview of INZS '26

Climate change, Biodiversity loss and critical changes to earth systems are the most severe global risks in the next decade. Addressing these issues are slowly becoming a key goal for nations and companies across the globe.

In response to this, the International Net Zero Summit 2026 will be held in Goa this January. INZS is a platform bringing together policymakers, industry leaders, investors, and experts to accelerate the conversation towards a sustainable economy.

The summit is organised by Management & Entrepreneurship and Professional Skills Council (MEPSC) and International Institute of Corporate Sustainability and Responsibility (IICSR) in collaboration with Goa Chamber of Commerce and Industry (GCCCI)

The principle of common but differentiated responsibilities is the bedrock of our enterprise for a sustainable world."

Shri Narendra Modi

Prime Minister of India

What awaits you at the International Net Zero Summit 2026?

This Summit shall be an amalgamation of conferences, addresses by key leaders, exhibition, and a stage to celebrate and award those who have shown exemplary work towards the Net-Zero goal.

The summit shall focus on solutions through innovative technologies, and collaborative strategies, and underscores the strategic influence of leaders in management and their critical role in shaping a green future for our economy and planet.

Conference

Sustainability thrives on collaboration. Bringing forward a stage to educate and pioneer the right ideas.

Workshops

Actionable change begins with awareness towards real world impact. Masterclasses from the best of India.

Awards

Sustainability is imperative—and businesses leading the way deserve recognition to inspire the rest.

Here's what you can look forward to at the INZS 2026
